Standard Field Service Terms
THE FOLLOWING TERMS AND CONDITIONS APPLY:

The following terms and conditions apply to all service which dp Technologies Group provides, either by direct employees or contracts to an independent third party and the service is performed by visitation to the customer's facility. The customer understands that the terms and conditions set below shall be controlling, and any other or additional terms and conditions signed or unsigned can have no effect. Service will be provided under these terms and conditions only.

- \$100.00/hr for normal business Hours Monday thru Friday (On-Site)
 - \$75.00/hr for travel time plus current mileage charge
 - \$55.00/hr for programming / troubleshooting in dp office / phone support
 - \$150.00/hr for any time outside normal hours , over 8 hrs per day, or Saturday (On-Site)
 - Double Time for Sundays and Holidays.
 - A meal Per-Diem is \$45/day for each day, per person, if required to stay overnight.
 - If International border crossing is required, any customs fees and permits will be additional..
 - It is the Customer's responsibility to provide any working papers, forms or correspondence required for a dp Technologies employee to work in another country.
 - All expenses including airfare, rental care & hotel fees(including Airline layovers) will be invoiced at cost plus a 10% handling fee.
 - dp Technologies will make all Travel(Airline, Hotel, Rental Car, etc.) arrangements.
 - All currency is in U.S. Dollars
1. The minimum charge for Field Service is four (4) hours on site time at the appropriate rate plus expenses.
 2. For each day of holdover (Technician is held in area at customer request) there will be a minimum charge of four (4) hours at the appropriate rate plus expenses.
 3. Travel time is defined as any time spent traveling to the job site from the Field Service Technician's office location and back.
 4. Two week notification is required on all start-ups.
 5. For systems built by dp Technologies Group, warranty labor is provided only if dp Technologies provided start-up service. All individual components are covered under the standard manufacturer's warranty as described in the manufacturer's Warranty Terms and Conditions.
 6. The price for service will be at the rates quoted currently by dp Technologies and in effect at the time the service is performed (see service rates above). Terms are 1%-10 days, net 30 days with approved credit. dp Technologies has no obligation to provide service to customer with a past due balance. Taxes as required will be added to invoices, all service rates do not include taxes or fees.
 7. Service is sold on a "**best effort**" only basis. There is no guarantee that a service technician will fix the problem: time and expenses are still due.
 8. A 10% percent handling fee will be added to the actual expenses incurred on a field service trip.
 9. The purchaser of the Service has to provide all of the necessary labor, parts. tools, instruments, materials, and whatever else is necessary to do the start up, maintenance, or service that is being requested. dp Technologies will only provide technical assistance under the above conditions.
 10. dp Technologies Group will not be responsible for any damages, lost production or other costs associated with our field service support or component item failures.
 11. Placing an order for field service support indicates you have read and agreed to dp Brown of Saginaw, Inc. / dp Technologies Group terms.
